Onboarding checklist**

Welcome to the Talent Engagement Suite, where we partner to build your future workforce.

Congrats on a new your new user seat, here are our recommended next steps to get you started:

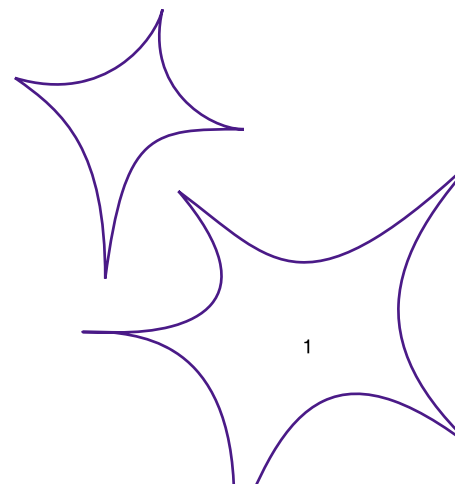

- Start by [setting up/updating your profile](#) on Handshake to build personalized engagement with the candidates you interact with.
- [Set up your notification preferences](#) in your profile to designate how you want to be notified of account activity and other user settings.

Next up: Create segments and campaigns to help you source the right candidates!

- Segments are a filtered group of students that you can use to create a campaign or identify job matches. [Check out this help article](#) to get you started on segments.
- [Create a campaign](#) to provide clear, structured calls to action to increase RSVP & applicant conversion rates.

Find your ideal candidates with these exclusive Talent Engagement Suite features:

- Check out [Your Candidates](#) page that enables you to identify candidates that have engaged with your company.
- Get unlimited automated student [matches](#) so you don't miss out on a single qualified candidate.
- Talent Engagement Suite partners also have access to specialized filters, like industry or location interest, so you're able to get even more targeted with your candidate search!

Complete our free Handshake training courses:

- Go through [Pathfinders: Handshake Premium Essentials Training](#) to learn more about the Talent Management Suite offering and further sharpen your recruiting skills.
