

# Virtual Career Fairs on Handshake

Handshake virtual fairs represent the next generation of student, employer, and higher ed events. Comprehensive administrative and analytics features help your team facilitate and report on meaningful virtual connections—**free for all Handshake partners.**

**4k+**

virtual career fairs hosted on Handshake since fall 2020

**1M+**

student-employer connections facilitated

**50%**

of student attendees explored employers and jobs or submitted applications within 2 weeks after the fair

**4.4/5**

average session video rating

**It was more hands-on for me compared to a normal career fair. You're not standing in line, anxious, in a loud gym. It was more intimate and I feel like I built a better connection with the recruiters."**

- Student from St. John's University
